Online Safety, TikTok and Other Social Media Checklists

While **cybersecurity** protects **devices** and **networks** from harm by third parties, Online Safety protects the **people** using them from harm by the devices and networks (and therefore third parties) through awareness, education, information and technology.

Online Safety is being aware of the nature of the possible threats a person could encounter whilst engaging in activity through the Internet, these could be security threats, protecting and managing personal data, online reputation management, and avoiding harmful or illegal content.

*Please create/go over some rules with your child/ren about online safety and screen time. Remind them of how important online safety is.

Internet Matters have a good range of guides that help parents with family pairing (where available), privacy settings, reporting and much more. This is a really helpful resource to support you to set parental controls. Please click on the link below

Thank you for all your support. If you want us to cover anything in particular, please let a member from the Office Team know.

Cranbrook School Mini Summer Fair 2022

This year Cranbrook School will be hosting a Mini Summer Fair. This will take place on **Wednesday 13th July** from **3pm – 4pm**. The theme is **'Me and my heritage'**. It will be a non-uniform day and children will be invited to make a contribution of **£1** and can wear clothes from their own heritage. There will be savoury snacks, cakes, ice cream and refreshments available to purchase on the day. Please join us for an afternoon of fun and celebration.

Warm Weather: As the weather is now much warmer, please ensure that your child is appropriately dressed with hats and sun cream applied before school. I would also encourage you to send in a bottle of water, labelled with his/her name, which can be topped up throughout the day, as all classes have access to drinking water.

Positive behaviours and attitudes: Here are another two fantastic texts that will act as starting points for talking to your child about their feelings and behaviour. Your child will have heard many of these in school, but it's always great to listen to a good story more than once! Each week we will add two more texts for you to explore with your child.
